MANAGEMENT INFORMATION CIRCULAR
as at November 6, 2025

GENERAL INFORMATION

This management information circular (“Circular”) is furnished in connection with the solicitation of proxies by the management of BIG RIDGE GOLD CORP. (the “Company”) for use at the annual and special meeting (the “Meeting”) of its shareholders to be held on Tuesday, December 23, 2025, at the time and place and for the purposes set forth in the accompanying notice of the Meeting (the “Notice of Meeting”).

In this Circular, references to “the Company”, “we” and “our” refer to Big Ridge Gold Corp. “Shares” means the common shares in the capital of the Company. “Non-Registered Shareholders” means shareholders who do not hold Shares in their own name. “Shareholders” means the holders of Shares, and includes registered shareholders and Non-Registered Shareholders, and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

SOLICITATION OF PROXIES AND VOTING INSTRUCTIONS

Persons making the solicitation

This proxy solicitation is made on behalf of the management of the Company. The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation.

The form of proxy forwarded to Shareholders with the Notice of Meeting confers discretionary authority upon the proxy nominees with respect to amendments or variations of matters identified in the Notice of Meeting or other matters which may properly come before the Meeting or any adjournment or postponement thereof, in each instance, to the extent permitted by law, whether or not the amendment, variation or other matter that comes before the Meeting is routine and whether or not the amendment, variation or other matter that comes before the Meeting is contested.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company. Each Shareholder has the right to appoint a proxyholder other than the persons designated in the applicable instrument of proxy furnished by the Company, who need not be a Shareholder, to attend and act for such Shareholder and on such Shareholder's behalf at the Meeting. To exercise such right, the names of the persons designated by management should be crossed out and the name of the Shareholder's appointee should be legibly printed in the blank space provided.

Voting by Proxyholders

The persons named in the Proxy will vote or withhold from voting the Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect

to any matter to be acted upon, your Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

As at the date of this Circular, management knows of no matters scheduled to come before the Meeting other than the matters referred to in the Notice of Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the Shares represented by proxies appointing one of the management proxyholders as proxyholder will be voted on such matters in accordance with the best judgment of the management proxyholder.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they intend to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc., by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail or by hand to 320 Bay Street, 3rd Floor, Toronto, Ontario, M5H 4A6;
- (b) using a touch-tone phone to transmit voting choices to a toll-free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the proxy access number; or
- (c) using the internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy access number;

in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Non-Registered Shareholders

Non-Registered Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Shares).

Only registered holders of common shares or the persons they appoint as their proxies are permitted to vote at the Meeting. Many Shareholders are non-registered Shareholders ("**Non-Registered Shareholders**") because the common shares they beneficially own are not registered in their names but are instead either (i) registered in the name of an intermediary (the "**Intermediary**") that the Non-Registered Shareholder deals with in respect of the common shares, such as, among others, brokerage firms, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Intermediaries are required to seek voting instructions from Non-Registered Shareholders in advance of shareholders' meetings. Each intermediary has its own mailing procedures and provides its own return instructions to clients.

For the purposes of the Meeting, the Company has elected to take advantage of those provisions of National Instrument 54-101 that permit it to directly deliver proxy-related materials to its non-objecting Non-Registered Shareholders ("NOBOs"). Consequently, NOBOs will receive a scannable Voting Instruction Form ("VIF") from the Company's transfer agent, Computershare Investor Services Inc. These VIFs must be completed and returned to Computershare in the envelope provided. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate voting instructions at the Meeting with respect to the Shares represented by the VIFs they receive.

If you are a Non-Registered Shareholder, you should carefully follow the instructions of your broker or intermediary in order to ensure that your Shares are voted at the Meeting.

The form of proxy supplied by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Brokers now commonly delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person, other than the persons designated in the VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, you cannot use it to vote Shares directly at the Meeting - the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Shares voted. As noted in the Notice of Meeting, Non-Registered Shareholders will not be admitted into the Meeting.**

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you or your nominee to attend at the Meeting and vote your Shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered Shareholder's authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare Investor Services Inc. or at the address of the Company at 1400-18 King Street East, Toronto, Ontario, M5C 1C4, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the registered Shareholder's Shares.

A Non-Registered Shareholder may revoke a form of proxy or voting instruction form given to an intermediary by contacting the intermediary through which the Non-Registered Shareholder's Shares are held and following the instructions of the intermediary respecting the revocation of proxies. In order to ensure that an intermediary acts upon a revocation of a proxy form or voting instruction form, the written notice should be received by the intermediary well in advance of the Meeting.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Record Date

The Board of Directors of the Company has fixed Thursday, November 6, 2025 as the record date (the "**Record Date**") for determination of persons entitled to receive Notice of Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Shares voted at the Meeting.

Quorum

For all purposes contemplated by this Circular, the quorum for the transaction of business at the Meeting is not less than two persons who are, or who represent by proxy, Shareholders who, in the aggregate, hold at least 5% of the issued Shares entitled to be voted at the Meeting.

Principal Shareholders

As of the Record Date, there were **279,184,456** Shares without par value issued and outstanding, each carrying the right to one vote. No group of Shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Shares.

To the knowledge of the directors and executive officers of the Company, no persons or corporations beneficially owned, directly or indirectly, or exercised control or direction over, Shares carrying more than 10% of the voting rights attached to all outstanding Shares of the Company as at the Record Date.

Votes Necessary to Pass Resolutions

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein with respect to the election of directors and the appointment of the Company's auditors. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation. A majority of affirmative votes cast by Disinterested Shareholders is required to pass the resolution described herein with respect to the approval of the Company's Amended and Restated Share Option Plan.

DETAILS OF MATTERS TO BE ACTED UPON AT THE MEETING

CORPORATE GOVERNANCE DISCLOSURE

The Board recognizes the importance of corporate governance in the effective management of the Company and for the benefit of its employees and Shareholders. The Company's approach to corporate governance issues is designed with a view to ensuring that the business and affairs of the Company are effectively managed in order to grow Shareholder value.

In June 2005, National Policy 58-201 – *Corporate Governance Guidelines* (the “Governance Guidelines”) and National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (the “Governance Disclosure Rule”) were adopted by the securities regulatory authorities in Canada. The Governance Guidelines deal with matters such as the constitution and independence of corporate boards, their functions, the effectiveness and education of Board members and other items dealing with sound corporate governance practices. The Governance Disclosure Rule requires that, if management of an issuer solicits proxies from its security holders for the purpose of electing directors, specified disclosure of its corporate governance practices be included in its management information circular. As required by the Governance Disclosure Rule and other applicable regulatory instruments, the following disclosure describes the Company's corporate governance policies and initiatives.

Board Meetings

The Board holds a minimum of four regularly scheduled meetings per year. Prior to the end of each year, the management team proposes a schedule of Board meetings for the following calendar year for consideration by the Board. Additional meetings may be held from time to time as necessary or appropriate. The agenda and the related information and data that is important to the Board's understanding of the business to be discussed for each regularly scheduled meeting and, where feasible, each special meeting, is distributed sufficiently in advance of the meeting to provide a reasonable opportunity for review, except when such material is too sensitive to be put in writing.

Independence

The Board has the responsibility to ensure that appropriate structures and procedures are in place to permit the Board to function independently of management. The Board is currently comprised of six (6) directors. The Board has determined that five out of the six current members are independent directors.

Kristina Bates (Chair of the Board and Chair of the Audit Committee), , Nick Tintor (Chair of the Corporate Governance, Compensation and Nominating Committee), Richard Mazur, and Paul Pint are each considered independent directors of the Company. The non-independent member of the Board is Mike Bandrowski, the Company's current President and Chief Executive Officer.

If the proposed nominees put forth are elected at the Meeting, the Board will be comprised of five (5) directors, of whom four (4) will be considered independent directors.

Chief Executive Officer

The Chief Executive Officer (the “CEO”) is the senior management officer of the Company. As such, the CEO is the leader of an effective and cohesive management team for the Company; sets the tone for the Company by exemplifying consistent values of high ethical standards, integrity and fairness; leads the Company in defining its vision; is the main spokesperson for the Company; and bears the chief responsibility to ensure the Company meets its short-term operational and long-term strategic goals and objectives. The CEO works with, and is accountable to, the Board with due regard to the Board’s requirement to be informed and to be independent.

Other Directorships

The Board does not believe that its members should be prohibited from serving on boards and committees of other organizations that do not conflict or otherwise interfere with the director’s duties to the Company. However, board and committee service requires significant time and attention in order to properly discharge director responsibilities. Directors are required to inform the Chair of the Board prior to joining the board of another public Company to ensure that a conflict would not arise.

The following directors hold directorships in other reporting issuers.

Director	Reporting Issuer
Mike Bandrowski	Caprock Mining Corp.
Nick Tintor	Benz Mining Corp. Hercules Metals Corp.
Richard Mazur	IMPACT Silver Corp. Midnight Sun Mining Corp.
Paul Pint	Nobel Resources Corp.

Orientation and Continuing Education

The Board and the Company’s senior management conduct orientation programs for new directors. Board meetings are combined where necessary with presentations by the Company’s management to give the directors, and particularly new directors, additional insight into the Company’s business. In addition, the management of the Company makes itself available throughout the year for discussion with all Board members.

The Board also focuses on the continued development of its directors. The CGCN supports this focus in part through its assessment of the effectiveness of the Board and individual directors, including its recommendations for dealing with perceived weaknesses or gaps in expertise. In addition, among other things, directors attend mining industry conferences to keep abreast of market trends and other significant developments and undertake continuing professional development in relation to their professional qualifications. The Board has unrestricted access to the Company’s lawyers, auditors and technical consultants and may engage separate counsel and consultants as necessary in the course of carrying out its duties.

Ethical Business Conduct

The Board has adopted a Code of Business Conduct and Ethics (the “**Code**”) for the Company’s directors, officers and employees. The Code embodies the commitment of the Company and its subsidiaries to conduct its business in accordance with all applicable laws, rules and regulations, and high ethical standards.

The actions of all the Company’s employees, consultants, officers and directors shall reflect honesty, integrity and impartiality that is beyond doubt and all business should be done in a manner that:

- complies with laws, rules and regulations;
- avoids conflicts of interest;
- protects confidential information; and
- adheres to good disclosure practices, in accordance with applicable legal and regulatory requirements.

The Company expects that each of its directors, officers and employees conduct themselves ethically and within the confines of professional behaviour, including avoidance of conflicts of interest, protection and proper use of the Company’s technology and information, compliance with laws, rules and regulations, and reporting of illegal or unethical behaviour. The Company encourages all employees, consultants, officers and directors to submit good faith complaints or concerns regarding to the Company without fear of reprisal.

A copy of the Code is available on the Company’s website at www.bigridgegold.com/corporate/governance/.

Board Term and Age Limits

The Board believes that there is value to having continuity of directors who have experience with the Company, and who are evaluated through a robust annual assessment process, to ensure appropriate board renewal. Accordingly, there are no limits on the number of terms for which a director may hold office. The Board also believes that qualified directors should be able to continue serving for as long as they are able to make a meaningful contribution and serve in the best interests of the Company. As such, the Board does not believe that there should be a mandatory retirement age for directors.

COMMITTEES OF THE BOARD

The Company has established two committees which support the overall oversight responsibilities of the Board. These include:

- The Audit Committee, which oversees the Company’s accounting and financial reporting processes and external audits of the Company’s consolidated financial statements;

In connection therewith, the Committee assists the Board in fulfilling its oversight responsibilities in relation to the Company's internal accounting standards and practices, financial information, accounting systems and procedures, financial reporting and statements, and the nature and scope of the annual external audit. The Audit Committee also recommends for Board approval the Company's audited annual consolidated financial statements, MD&A and other mandatory financial disclosure.

The disclosure required by Form 52-110F1 of National Instrument 52-110 – *Audit Committees* is contained in the Company's Annual Information Form for the year ended June 30, 2025, available on the SEDAR website at www.sedarplus.com.

The members of the Audit Committee are appointed annually by the Board. The Audit Committee is currently comprised of Ms. Bates (Chair) and Messrs. Pint and Tintor, each of whom is financially literate, meaning that the director has the ability to read and understand a set of financial statements that present the breadth and level of complexity of accounting issues that can reasonably be expected to be raised by the Company's financial statements. Ms. Bates and Messrs. Pint and Tintor are each considered independent.

The Company's Audit Committee Charter is attached as Appendix "A" to this Circular and is available on the Company's website at www.bigridgegold.com/corporate/governance/.

CORPORATE GOVERNANCE, COMPENSATION AND NOMINATING COMMITTEE

The Corporate Governance Compensation and Nominating ("CGCN") Committee is a committee of the Board charged with assisting the Board in:

- establishing and monitoring the Company's policies and practices relating to corporate governance;
- monitoring, reviewing, developing, and approving the Company's compensation policies and practices, and administering the Company's share-based compensation plans, and annually reviewing the CEO's compensation and the CEO's recommendations regarding other senior officer compensation; and

The members and the Chair of the Committee are appointed annually by the Board. The Committee consists of a minimum of three directors of the Company, a majority of whom must be independent directors, and is currently comprised of Mr. Williams (Chair), Ms. Bates, and Mr. Mazur, each of whom is considered independent.

A copy of the mandate of the CGCN Committee is available on the Company's website at www.bigridgegold.com/corporate/governance/.

COMPENSATION OF EXECUTIVE OFFICERS

Named Executive Officers

In this section, Named Executive Officer ("NEO") means the Chief Executive Officer, the Chief Financial Officer and each of the three most highly-compensated executive officers, other than the Chief Executive Officer and Chief Financial Officer, who were serving as executive officers at the end of the most recently completed financial year and whose total compensation was more than \$150,000, as well as any additional

individuals for whom disclosure would have been provided except that the individual was not serving as an executive officer of the Company at the end of the most recently completed financial year.

For the purposes of the following disclosure, the following persons are each an NEO:

- Mike Bandrowski, President and Chief Executive Officer from July 7, 2020, to the date of this Circular, and
- Jim Kirke, Chief Financial Officer in the period from August 31, 2020, to the date of this Circular.

Compensation Discussion and Analysis

This report has been prepared by the Board. The Board assumes responsibility for reviewing and monitoring the compensation for the senior management of the Company and as part of that mandate determines the compensation of the President and Chief Executive Officer and the Chief Financial Officer.

Philosophy and Objectives

The compensation program for the senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining talented, qualified and effective executives;
- (b) motivating the short and long-term performance of these executives; and
- (c) aligning their interests with those of the Company's shareholders.

The Corporate Governance, Compensation and Nominating Committee

The Corporate Governance, Compensation and Nominating ("CGCN") Committee is currently comprised of three directors: Messrs. Tintor and Mazur and Ms. Bates. All of the current members of the CGCN Committee are considered independent. The Company is of the view that all members of the CGCN Committee have the skills and experience enabling the CGCN Committee to make decisions on the suitability of the Company's compensation policies and practices.

The CGCN Committee is charged with the following responsibilities, among other things, with respect to executive compensation:

- Developing an executive compensation strategy and plan in consultation with the CEO and the Board that supports the Company's plans and is consistent with market conditions;
- Assisting the Board in reviewing and approving the Company's compensation policies and practices, in particular identifying practices that could motivate NEOs to take inappropriate or excessive financial or operating risks;
- Recommending share-based compensation awards for approval by the Board;
- Reviewing the CEO's compensation and the CEO's recommendations with respect to the compensation of other officers on an annual basis and making compensation recommendations as necessary to the Board;
- Evaluating the performance of the CEO and, in consultation with the CEO, other officers against established performance objectives and recommending performance objectives for the NEOs to the Board; and
- Reviewing and recommending to the Board regarding compensation of the Company's directors.

Compensation Components

Subject to the approval of the CGCN Committee and the Board, the compensation paid to the NEOs in a given year may include two components:

- **Base salary** – base salaries represent the fixed component of NEOs' remuneration. Salaries are set with the objective of ensuring the Company's overall compensation remains competitive within the industry.
- **Incentive bonuses**, a form of variable, share-based compensation to reward NEOs for their performance during the year. All such awards have both short-term and long-term components, intended to establish alignment between NEOs and the Company's shareholders.

The CGCN Committee and Board believe that it is important to make a significant portion of the NEOs' total compensation variable and long-term based. The Company is of the view that the combination of variable and long-term incentives results in a high performance, ownership-oriented culture focused on building long-term shareholder value.

Base Salary

Base salary is viewed as a key component of attracting and retaining executive leadership in the markets where the Company competes for talent. Base salary is set based on the overall value an individual brings to the Company including the complexity and breadth of the role, prior experiences, specific skill sets, personal values, leadership and future growth potential. Base salary is typically reviewed annually with any change generally determined based on the NEOs' individual performance and contribution to the

Company's success as well as how the individual base salary level compares to those of individuals in comparable roles.

During the year ended June 30, 2023, the CGCN Committee reviewed the remuneration of the Company's NEOs in comparison to a peer group of Canadian public companies focused on exploration and development activities, including:

- Canstar Resources Inc.
- Vulcan Minerals Inc.
- Labrador Gold Corp.
- Signal Gold Inc.
- New Found Gold Corp.
- Matador Mining Ltd.
- Cabral Gold Inc.
- NeXGold Mining Corp. (formerly Treasury Metals Corp.)
- Revival Gold Inc.
- Maritime Resources Corp.
- Sokoman Minerals Corp.
- Luminex Resources Corp.
- First Mining Gold Corp.

Following the CGCN Committee's review, the Board approved increases in the salaries of Messrs. Bandrowski and Kirke for the fiscal years ended June 30, 2024 and 2025. The annual base salaries of each NEO are reflected in the table below.

Named Executive Officer and Position	Base Salary
Mike Bandrowski – President and Chief Executive Officer	\$208,725
Jim Kirke – Chief Financial Officer	\$169,400

Incentive Awards

For the year ended June 30, 2025, incentive awards were determined and awarded based on an assessment by the CGCN Committee and Board of certain corporate and personal achievements and represented a subjective, discretionary award, rather than an award based on a fixed percentage of each NEO's base salary.

The incentive awards attributable to the NEOs in respect of their performance in the year ended June 30, 2025 were awarded on October 3, 2025 and consisted of:

- a total of 1,500,000 stock options with vesting in equal instalments on October 3, 2025; October 3, 2026; and October 3, 2027, and
- a total of 175,000 RSUs vesting October 3, 2026.

Benefit and Pension Plans

The Company provides group benefit coverage to its NEOs. The terms of the group benefit coverage are customary. The Company does not provide any defined benefit or defined contribution pension plan.

Where applicable, the vesting of Options will be generally subject to:

- (a) the Service Provider remaining employed by or continuing to provide services to the Company or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or

Optionee Ceasing to be Director, Employee or Service Provider

3.9 No Option may be exercised after the Service Provider has left his employ/office or has been advised by the Company that his services are no longer required or his service contract has expired, except as follows:

- (a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;

- (b) an Option granted to any Service Provider will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any times prior to the expiry of the Option) after the date the Optionee ceases to be employed by or provide services to the Company, but only to the extent that such Option has vested at the date the Optionee ceased to be so employed by or to provide services to the Company; and

- (c) in the case of an Optionee being dismissed from employment or service for Cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

Adjustment of the Number of Optioned Shares

3.11 The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

(a) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefor;

(b) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;

(c) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;

(d) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Common Shares at any time outstanding (whether with or without par value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purposes of this §3.11;

- (e) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this section are cumulative;
- (f) the Company will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except for the provisions of this §3.11, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company;
- (g) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this §3.11, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will be granted access to all appropriate records. Such determination will be binding upon the Company and all Optionees; and
- (h) notwithstanding the foregoing, any adjustment, other than in connection with a security consolidation or security split, to Security Based Compensation granted or issued under a Security Based Compensation Plan must be subject to the prior acceptance of the Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

ARTICLE 4 COMMITMENT AND EXERCISE PROCEDURES

Option Commitment

4.1 Upon grant of an Option hereunder, an authorized officer of the Company will deliver to the Optionee an Option Commitment detailing the terms of such Options and upon such delivery the Optionee will be subject to the Plan and have the right to purchase the Optioned Shares at the Exercise Price set out therein subject to the terms and conditions hereof.

Manner of Exercise

- 4.2 An Optionee who wishes to exercise his Option may do so by delivering
- (a) a written notice to the Company specifying the number of Optioned Shares being acquired pursuant to the Option; and
 - (b) a certified cheque, wire transfer or bank draft payable to the Company for the aggregate Exercise Price of the Optioned Shares being acquired.

Delivery of Certificate and Hold Periods

4.3 As soon as practicable after receipt of the notice of exercise described in §4.2 and payment in full for the Optioned Shares being acquired, the Company will direct its transfer agent to issue a certificate to the Optionee for the appropriate number of Optioned Shares. Such

certificate issued will bear a legend stipulating any resale restrictions required under applicable securities laws. Further, if the Exercise Price is set below than the then current market price of the Common Shares on the TSX Venture or if the Optionee is an Insider, the certificate will also bear a legend stipulating that the Optioned Shares are subject to a four-month TSX Venture hold period commencing the date of the grant of the Option.

ARTICLE 5 GENERAL

Employment and Services

5.1 Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee is voluntary.

No Representation or Warranty

5.2 The Company makes no representation or warranty as to the future market value of Common Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Common Shares issuable thereunder or the tax consequences to a Service Provider. Compliance with applicable securities laws as to the disclosure and resale obligations of each Participant is the responsibility of each Participant and not the Company.
